# Celebrating Sheep

CENTRE LEFT PAGE

We introduced something different last year-we want to have an exhibition of sheep rather than a show where sheep are judged.

We have noticed that people want to know all about the sheep and the different breeds and why some owners choose one breed rather than another. They want to meet sheep and talk sheep!

We therefore would love you to attend this year and bring some sheep. Your sheep can be any breed, any age, commercial, pedigree or pet. They don't have to be show-ready. However, due to complications sheep can only be non MV.

Please support this new initiative, now in its second year, in our quest to introduce the world to the wonder of sheep and we will you free entry and free parking as well as food and beverage vouchers.

All we want is, for you to attend, with some sheep and talk to the people visiting the Section and maybe provide a bit of information about your sheep.

**Come and have a day out and celebrate the wonderful world of sheep.**

There won't be any official judges but we may be asking a show official to choose their favourite breed or individual sheep.

Please complete the form on the opposite page and return to Poynton Show Office. **Please note that movement forms are still required.**

Thank you very much

**P.S.** Please return any trophies
