HEALTH & SAFETY

All Exhibitors should comply with the requirements set out in the health and safety policy, organisation, and arrangements of the Poynton Horticultural and Agricultural Society. Copies of this policy may be obtained from the Society Secretary and will be displayed in the Show Office prior to and during Poynton Show.

Specifically, all exhibitors, trade stand occupiers and entertainment and catering providers are required to maintain their exhibits / areas in such a manner to comply with current Health and Safety regulations and guidance, and to ensure that their activities do not endanger themselves, other exhibitors, or members of the General Public.

EQUINE INFLUENZA

All horses must have been vaccinated to comply with the requirements of the primary course (first vaccination and then second vaccination between 21 - 92 days later), followed by the first booster (150-215 days) and all subsequent boosters. Horses may compete having received the primary course and prior to the first booster but not within 7 days of receiving a vaccine dose.

Horses must have been vaccinated within 6 months before the show but not less than 7 days of arriving at the show.

FOALS

In-foal mares that have already had vaccinations of primary Equine Influenza course should be vaccinated 4-6 weeks before the foal is due to be born. Foals should be vaccinated for Equine Influenza at 6 months to commence their primary course.

We urge all owners to always adhere to strict bio-security protocols. Vaccinations are subject to local risk assessments by the attending veterinarians.

PLEASE NOTE: Neither 'vaccination certificates' nor 'Passports' should be sent to the Riding School nor the Show Office, prior to the Show. Furthermore, random checks will be conducted at the Showground.
